Dear Correctional Peace Officer:

Congratulations on passing the Physical Fitness Test (PFT). This correspondence is to advise you of the expectations upon being selected to attend the Basic Correctional Juvenile Academy (BCJA).

Upon completion of the Peace Officer selection process, you will be required to participate in the PFT during the first week of the Academy in an effort to ensure you are physically fit and able to participate in the BCJA courses. The expectation is for you to pass the PFT within five minutes and five seconds. If you do not pass the initial PFT within the required time, you will be afforded the opportunity to re-test during the second week of the Academy. If you do not pass the re-test you may be subject to rejection during probation.

Sincerely,

JASON LOWE
Academy Administrator
